# "WHEN IN DOUBT SEND ORCHIDS!"

## Gifts for The Discriminating

For that "hard to find something for" plant lover, orchids are the perfect gift. They are not only rare and showy—they are gorgeous and intriguing. While relatively easy to grow by following our simple instructions, they challenge and reward as do no other plants.

We pack very carefully and guarantee safe delivery anywhere in the U. S. Shipment before April 1st north of Florida, add \$1.50 per order under \$100.00 for **Special Winter Packing** and Insurance. On orders over \$100.00 add 2%.

A Cluster Cattleya (C. Skinneri)

## FINE CLUSTER CATTLEYSAS

Preferred by many orchid fanciers because they produce 2 to 3 times as many flowers per stem as the larger flowered types. Strong and easily grown.

**No. 51—C. Skinneri**—Plants compact, flowers Feb.-Apr., flowers bright purple, 2" to 2½" diameter, 6 to 12 per spike.

Plants with one flowering bulb.....\$ 8.50  
Plants with two flowering bulbs..... 12.50

**No. 52—C. Red Oak x C. Bowringiana**—Very strong growing hybrid, flowers brilliant lavender-purple, larger than the above, one of the best.

Big plants in sheath.....\$17.50 to \$25.00  
Smaller plants in 5" pots to bloom next year..... 10.00

If you want Express Charges prepaid, add amounts shown on the enclosed sheet for the items you order.

**No. 53—Most Flowers per Dollar Special**—This collection consists of two Cattleya plants, each with two flowering bulbs. These are large, heavy plants and will produce as many, or more, flowers as 4 plants of our \$8.50 size or as two of our No. 40 Collections, at a very considerable saving. In addition, these are among our strongest plants. Price also includes 1 pound FENORCO Hydroponic Plant Food. Value \$35.00.....\$23.98

Any of the orchids listed on these pages can be grown easily by the beginner. All are strong growing, healthy plants that are well adapted to house or greenhouse culture. Just follow the directions we include with each shipment.

**No. 54—CATTLEYA TRIANAEI** (The Christmas Orchid)—The most reliable and one of the most beautiful of Orchids. Flowering season Oct. to Feb. Plants with one flowering sheath plus 1 pound FENORCO Plant Food.....\$8.98 ea.

**No. 55—C. TRIANAEI**—larger and stronger plants than those above. These plants each bear two flowering growths with sheaths. They will produce twice as many flowers per plant as the plants sold under No. 54 above though they cost less than 50% more. Per plant, including one pound FENORCO Plant Food Only.....\$12.98

**No. 56—SPECIMEN PLANT SPECIAL**—Another fine Christmas present. Large plants of Cattleya trianaei with 3 or 4 sheaths. Will be gorgeous when in bloom. Price includes one pound FENORCO Hydroponic Plant Food.....\$17.98 ea.
